

#thisismyshot

to protect my colleagues
to protect my family
to protect my friends

Vaccines are a safe and effective way to help protect yourself from developing COVID-19. If you have questions about the vaccine, talk to your manager or call the BILH COVID-19 Employee Health phone line at 617-278-8897.

For more information on COVID-19 vaccines visit covid-19.bilh.org/vaccine.
